At a stated term of the United States Court of Appeals for the Second Circuit, held at the Thurgood Marshall United States Courthouse, 40 Foley Square, in the City of New York, on the 19th day of October, two thousand seventeen.

Present:

Jon O. Newman,
José A. Cabranes,
Circuit Judges,
Robert N. Chatigny,*
District Judge.

New Jersey Carpenters Health Fund, on Behalf of
Itself and All Others Similarly Situated,

Plaintiff-Appellee,

v.

17-2859

The Royal Bank of Scotland Group PLC, et al.,

Defendants-Appellees,

Moodys Investors Service, Inc., McGraw-Hill Companies, Inc.,

Defendants,

v.

Federal Home Loan Mortgage Corporation, et al.,

Appellants.

* Judge Robert N. Chatigny, of the United States District Court for the District of Connecticut, sitting by designation.

Appellants move for a stay of the district court action, pending its appeal of that court's order denying a forty-five day stay of the action pursuant to 12 U.S.C. § 4617(b)(10). Upon due consideration, it is hereby ORDERED that the motion is DENIED, inasmuch as appellants have not shown that denial of the motion for a stay will itself cause them any harm in the event this motion is denied.

We express no opinion on whether deadlines at issue in the underlying litigation that have already passed should be extended or otherwise altered. The present order is not intended to address those deadlines.
